Jim Huber
15505 Interlake Avenue North
Seattle, WA 98133

Dear Jim:

I am sorry to have missed your going away party, but even more sorry to think of the 10th floor without you.

You have always been a constant productive person who enabled the Department and John Clark to do what would not have been otherwise possible.

I send you all my best wishes for a happy next phase of your life.

Sincerely

Frederick A. Matsen III, M.D.
